

# European Union and India Enhanced Cooperation Framework for Improved Bilateral Dialogue in the Field of Science and Technology (EUINEC)

## Info Day on Health and Training on FP7 at Central Drug Research Institute, Lucknow

Coordinator: Europa Media PSC  
Contact: [coordinator@euinec.org](mailto:coordinator@euinec.org)

Dr. Sudeep Kumar  
CSIR, New Delhi  
March 12, 2010

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# EUINEC Objectives

- **Increased awareness among Indian stakeholders about the EU, research priorities, cooperation and funding opportunities**
- **Increased awareness among EU stakeholders about India and cooperation opportunities**
- **Improve the flow of information on programmes and funding opportunities (European Programmes, Initiatives of the Government of India, Bilateral Programmes) designed to support scientific and technological cooperation between the EU and India**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

## **EUINEC Objectives Contd.**

- **Identify and demonstrate mutual understanding, interest and benefit in S&T cooperation between the EU and India**
- **Share best practices through joint exchanges of information and experiences**
- **Facilitate cooperation through an integrated partner search facility**
- **Enhance know how for each stage in a project lifecycle from project development to project closure**
- **Identify new cooperation areas and formulate policy recommendations**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# R&D Areas Identified By EUINEC

- **Health**
- **Transport**
- **Environment**
- **Nano technologies**
- **ICT**

Some more areas could be added

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# EUINEC Project Implementation

## Through:

- Information and cooperation platform
- Capacity building
- Awareness raising actions

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# EUINEC Consortium

## Coordinator:

**Europa Media (HU)**

[www.europamedia.org](http://www.europamedia.org)

Contact: [coordinator@euinec.org](mailto:coordinator@euinec.org)

## Partners:

**CDAC** - Center for Development of Advanced Computing, Ministry of Communications and IT, Govt of India (IN) [www.cdac.in](http://www.cdac.in)

**APRE** – Agency of the Promotion of European Research (IT) [www.apre.it](http://www.apre.it)

**CSIR** – Council of Scientific and Industrial Research (IN) [www.csir.res.in](http://www.csir.res.in)

## EC Scientific Officer:

**Mr. Michele Genovese**, DG Research,  
Specific International Cooperation Activities

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# Why EUINEC

**Empowerment of Indian stakeholders to prepare them to actively take part in projects funded by FP7**

**www.euinec.org serves as:**

- Single Information Point
- Co-op Area
- E-training on FP7
- Partner search

*Increase awareness among EU and Indian stakeholders about cooperation opportunities*

*Share best practices through joint exchanges of information and experiences*

*Empowerment of stakeholders to be better prepared for participation in FP7*

EUINEC is funded by the Seventh Framework Programme, European Commission

# EUINEC Structure

EUINEC is implemented via 5 workpackages

No.	Workpackage	WP Leader
WP1	Management and Coordination	Europa Media
WP2	Platform Development	CDAC
WP3	EU India Research Co-op	APRE
WP4	Capacity Building	Europa Media
WP5	Dissemination	CSIR

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# How can you benefit from EUINEC

- Find your project partner
- Take part in E-training on FP7 with special focus on India
- Learn about Previous and Ongoing India – EU related projects
- Promote your organisation
- Find News and Calls
- Stay updated on EU India S&T Cooperation

**Take part in Events organised by EUINEC**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# Who can benefit from EUINEC

**Anyone interested in EU-India scientific co-operation  
may benefit from EUINEC services**

- Universities and Institutions
- Researchers and Scientists
- SMEs and Spin-offs
- Organisations, NGOs and Networks

**With or without previous experiences of  
European Framework Programmes**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# How to Participate in FP7

- **Concrete plans for implementing the specific programmes are announced by the EU in Annual 'Work Programmes'**
- **Calls are announced in EU Journals and also published on dedicated website [www.cordis.europa.eu/fp7](http://www.cordis.europa.eu/fp7)**
- **Submit proposals against the calls online using Electronic Proposal Submission Service (EPSS)**
- **Proposals are evaluated by a panel of evaluators, recognized specialist in the fields**
- **Successful proposals EU enters into Financial and Scientific/technical discussion with Consortium and finally the grant agreement is drawn up**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# FP7 Cooperation Health

## Some Indicators

- **Call budget** : € ~ 650 million
- **Call publication** : 30 July 2010
- **Expected themes**
  - **Neurodegenerative diseases**
  - **Cancer**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# The Health Theme

## Main Activities

### Activity 1

Biotechnology, generic tools  
and medical technologies  
for human health

### Activity 2

Translating research for  
human health

### Activity 3

Optimising the delivery of  
health care to European  
Citizens

### Activity 4

Other actions across the  
Health Theme

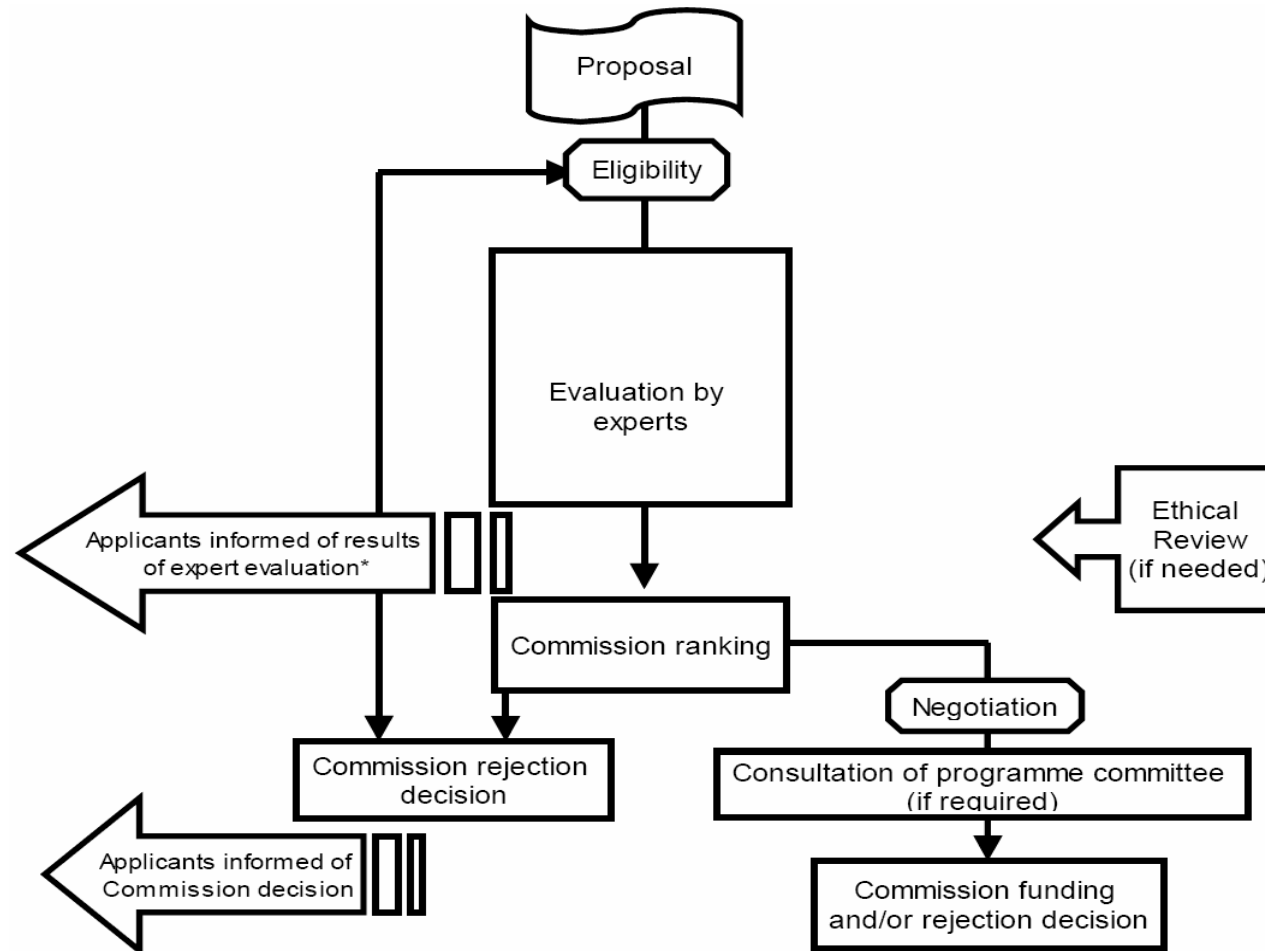

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission

# Selection Process

EUINEC is funded by the Seventh Framework Programme, European Commission

## **Are you involved in a similar project?**

EUINEC aims to improve the scientific co-operation between Indian and European researchers and organisations and to increase their effective participation in FP7

**Let's work together to increase the impact of our efforts!**

EUINEC is funded by the  
Seventh Framework Programme,  
European Commission
